PROPKITE LLP | REAL ESTATE SALES & GROWTH PARTNER

Bengaluru Real Estate Market Report 2026

Your Sales Partner, Not Just Your Sales Agency. | 29 Years Combined Real Estate Experience

A qualitative executive overview of Bengaluru’s active residential, plotted and township corridors prepared by Propkite LLP’s mandate advisory desk.

1. Corridor Intelligence Overview

- North Bengaluru (Devanahalli & Airport Axis): Gated villa plots, lifestyle estates and infrastructure-anchored communities.
- East Bengaluru (Hoskote & STRR Belt): Integrated township ecosystems balancing ready residential homes and plotted developments.
- Malur & Eastern Highway Axis: Value-driven plotted communities supported by highway and industrial connectivity.

2. Demand & Absorption Drivers

- End-user households continue to anchor stable absorption across well-priced residential and plotted launches.
- Transparent all-inclusive cost sheets and statutory clarity accelerate buyer decision timelines.
- Integrated mandate governance reduces cost leakage between marketing spend and booked revenue.

3. Developer Go-to-Market Checklist

- Validate buyer persona, configuration mix and pricing corridor prior to launch communication.
- Establish unified CRM attribution across direct digital campaigns and channel partner sourcing.
- Align on-site customer experience, documentation workflows and weekly developer MIS reviews.
